ALL health science students and faculty:

- Complete COVID-19 immunization is required for all health science students and faculty, as part of the Alberta Health Services COVID-19 Vaccination Policy.
- Red Deer Polytechnic has also implemented a COVID-19 Vaccine Program for all students, employees and visitors who attend our campuses for any in-person activities. Full details are available at rdpolytech.ca/vaccine.

If a student or faculty member is unable to receive an immunization due to a medical condition, they may apply for a Red Deer Polytechnic medical exemption. Please visit COVID-19 Exemption Process for information and instructions.

For further information about the COVID-19 vaccine and immunization parameters, please visit the Alberta Health Services website, which has an FAQ section with a range of questions and answers. For additional questions or concerns, please contact a health care professional.

Please follow the instructions below carefully:

1. Once you have received all required doses:
   - Send proof of your vaccinations to Health, Safety and Wellness at health.safety@rdpolytech.ca
   - Include 'COVID-19 Vaccination' and your program name in the subject line to expedite processing.
   - Include your full name and RDP ID# in the body of your email.

2. Keep your proof of your vaccination in a safe place and carry a copy with you at all times.

3. If you have any questions, please contact Health Safety & Wellness:
   
   Email: Health.Safety@rdpolytech.ca
   Phone: 403-342-3234

FOIP Notification & Health Information Act (HiA) Notification: Your personal information is being collected by Red Deer Polytechnic in accordance with the Freedom of Information and Protection of Privacy Act of Alberta, section 33(c). It is being collected for the purposes of ensuring health and safety requirements are met for clinical placements, to counsel or consult about immunization details, to communicate with and share information with practicum agencies, and to monitor and confirm your eligibility to participate in practicum experiences. The Occupational Health Nurse shares information to the Placement Office, to monitor and confirm eligibility to participate in practicum experiences. If you have any questions or concerns, please contact the Manager, Health Safety and Wellness Centre at health.safety@rdpolytech.ca.
