2007-2008 CALENDAR

The Web version is now the official Academic Calendar of Red Deer College. The Calendar and timetable set forth the intention of the College, at the time of publication, with respect to all matters contained therein. The College reserves the right, at any time, to make whatever changes are necessary, including the cancellation of particular courses, in order to serve the best interests of the College, or because of circumstances or occurrences beyond the College's control. The College expressly denies responsibility or liability to any person or persons who may suffer loss or who may be otherwise adversely affected by such.

Welcome to Red Deer College

Mr. Ron Woodward
President

Red Deer College building community

Red Deer College is the place you want to be this fall. An integral part of central Alberta, Red Deer College serves as its primary learning community as well as a center for culture and the arts.

From its humble beginnings in the wing of a local high school, Red Deer College has grown to its present status of community leader and one of Canada's most comprehensive colleges offering certificates, diplomas, degree completion, apprenticeship, credit-free and distance learning programs. This growth has occurred without losing its intimate community college student-centered environment.

Adjacent to the Queen Elizabeth II highway, halfway between Edmonton and Calgary, Red Deer College offers easy access and a wonderful education environment. The College is presently going through a major expansion – the largest in its history - and significant program growth, to serve the needs of the increasing demands from an emergent population.

Partnerships distinguish Red Deer College as one of the leaders in this community collaboration. The College has embarked

on a new *Strategic Enrolment Management (SEM) Plan* in conjunction with its *Your College: Building Communities Through Learning* initiative.

The enrolment plan will see the College working together with central Alberta high schools to create a seamless transition for students moving from high school to post secondary training. SEM will increase the exchange of ideas between the levels of schooling helping students to focus on learning as a life-long pursuit.

A post Class-1 License Professional Driver Certificate is now being offered at Red Deer College. The program was developed in partnership with the trucking industry, Alberta Infrastructure and Transportation, Canadian Trucking Human Resources Council and local community leaders. Graduates of this new program will have the competencies, skills and experience necessary to successfully begin a professional truck driving career. This new learning opportunity allows graduates to be eligible for a Canadian Professional Driving Endorsement on their Class 1 License, opening doors for them in the trucking and transportation industry.

The ultimate focus of the *Building Communities Through Learning* initiative is to expand learning opportunities available in central Alberta. Component I will add more than 14,000 square metres (200,000 square feet) of teaching and learning space. The initiative will be accomplished by expanding existing programs, adding to the length of studies available in existing programs, and introducing new educational opportunities. A recent study of degree completion in central Alberta confirms the recent announcement of new degree programs in Business as well Humanities & Social Sciences.

Through *Building Communities Through Learning*, major expansion is underway at the College with the construction of four new centres increasing learning opportunities in a variety of disciplines.

Component I will include the Centre for Trades & Technology, Centre for Innovation in Manufacturing, Centre for Business Enterprise and Centre for Visual Art. Soon to be complete, this exciting project is preceding thanks to significant investments from Alberta Advanced Education and major community supporters.

Component II of *Building Communities Through Learning* will include a Centre for Regional Sport & Wellness planned to replace the aging sport and recreation facilities at the College. The initiative proposes a new three-court gymnasium, an open span field house, fitness facilities and an Olympic Ice surface. These facilities will serve a growing central Alberta sport community and be open to the public. Red Deer College already has one of the country's top athletic programs and the new Centre will give our teams a fresh edge over their competition.

A partnership with the David Thompson Health Region and Bethany Care Society resulted in CollegeSide (opened 2004), a unique extended-care facility on campus. This created new opportunities for students from many disciplines. The increasing demand for health education, as well as the development of new health programs, warrants planning a new Centre for Health Education. This new centre will give learners increased opportunities for applied research and innovation in health and wellness, supporting both the DTHR in its delivery of health services in our communities in central Alberta and the Province's Rural Development Strategy.

Building Communities Through Learning will improve access to education for the thousands of learners who already attend Red Deer College and open new doors for those who would like new learning opportunities. Increased bursaries, scholarships and awards as well as new and expanded on-campus supports will help keep more central Alberta learners in the region and contribute to the skills and energy of our workforce.

Academic Schedule - 2007-2008

Some programs may have courses which begin earlier or later than the dates indicated below. Please refer to specific programs or course descriptions for further information.

July, 2007

Contact the Registrar's Office at 342-3400 for information or an appointment.

Policy on Admission to Credit Programs

Each program has specific admission requirements. These are approved by Academic Council.

You should apply and complete your admission file at the earliest possible date. It is to your advantage to apply as early as possible since most programs can accommodate only a limited number of students and the College may stop accepting applications at any time.

Note: Bachelor of Science Nursing applicants will be offered admission on a competitive basis, based on GPA ranking.

Admission Categories

You may apply as one of the following:

Regular Student

You are able to meet the regular admission requirements for the program. (See the program section of this calendar.) The regular admission requirements may include:

- suitable courses, grades, and averages
- tests, auditions, portfolios, or other approved criteria.

Mature Student

You must be 19 years of age or older. You must be out of school for at least one full year before the program starts. Admission under this category is not automatic. Check the specific admission requirements for the program you want to enter. (See the program section of this Guide.)

Red Deer College Career and Academic Preparation courses and upgrading courses from other colleges are equivalent to Alberta high school diploma courses for admission purposes.

The Registrar will evaluate courses taken in other educational institutions for equivalence.

Unclassified Student

You may take a maximum of two courses per term without presenting documents. Prerequisites for courses must be presented.

Visiting Student

You must present approval from another accredited institution to take a course(s) at Red Deer College. Your home institution will determine admission requirements.

College Advanced Placement

You must have successfully completed at least one 30-level course.

You must have a minimum final mark of 80% in any Grade 12 subject that is a prerequisite for the chosen College course. You must have a letter from your high school principal indicating:

1. you are currently enrolled in high school
2. you are eligible for, or have had a successful background in, a gifted education program, and
3. you show social maturity, creativity, exceptional talent, and a commitment to finishing tasks.

General Information About Admission

Program Admission Requirements

The admission requirements for each college program are listed in the program sections of this Guide.

Most college programs require computer skills, especially in the areas of word processing, spreadsheets, e-mail and web navigation.

Alberta Grade 12 Course Groups

Because of the changes to English Language Arts Curriculum, Red Deer College accepts English 30-1 as meeting English 30 admission requirements and English 30-2 as meeting English 33 admission requirements.

Admission requirements for specific programs will often refer to Alberta Grade 12 course groups. These groups are:

Group A (Humanities)

1. ELA 30-1
2. Social Studies 30
3. Language (other than English) at the 30 level
4. Additional Language (other than English) at the 30 level

Group B (Fine Arts)

1. Art 30
2. Art 31
3. Commercial Art 35
4. Drama 30
5. Music 30
6. Music 31
7. Performing Arts 35A, 35B, or 35C
8. Visual Communications 32A, 32B, or 32C

Group C (Sciences)

1. Biology 30
2. Chemistry 30
3. Mathematics 30 (Pure)
4. Mathematics 31
5. Physics 30
6. Science 30

Group D (Optional Subjects)

One 5-credit subject at the 30 level, or two 3-credit subjects at the 30 level (Special Projects 30 excluded).

Math 30 (Applied)

OR

Five 1-credit CTS units

Credentials from Other Provinces and Countries

If you are from another province or country, you must have qualifications comparable to those of Alberta applicants. The Registrar's Office has information on specific requirements.

Quotas and Enrolment Limits

Many Red Deer College programs and courses have limited enrollment, and fill quickly due to a high number of applications.

Residency Requirement

In order to qualify for an RDC program credential, students must complete 25% of the credit requirements for the credential through enrollment in RDC courses. Please note that some RDC programs may have a different residency requirement.

How to Apply for Admission

When to Apply

Applications will be accepted according to the dates published in the Academic Schedule (see page 6).

All Applicants (Except Apprenticeship)

1. Submit a completed Application for Admission form to the Registrar's Office by mail, in person or electronically (<http://www.rdc.ab.ca>)
2. Submit a non-refundable application fee. The fee for Canadian Citizens and Permanent Residents is \$50.00. International Students pay \$75.00.
3. Submit official transcripts of all previous secondary and post-secondary education. Official transcripts must be sent directly from the issuing institution to the Registrar.

Note: All documents submitted become the property of the College. They will not be returned to you.

International Students

For admission to RDC, follow all procedures outlined above, and if your first language is not English, submit evidence that you are capable in the English language. The College will accept as proof:

- a) a minimum TOEFL score of: 550 paper based, or 213 computer based, or 80 internet based

OR

- b) a minimum grade of 60% in ELA 30-1

OR

- c) IELTS - accept minimum score of 6.5 overall, with at least 5.5 on each band score
- d) CAEL - accept minimum score of 60 overall, with at least 60 on each band score
- e) MELAB - accept minimum score of 85 overall, with at least 80 on each band score

*IQAS - you may be required to have your documents evaluated by IQAS (International Qualifications Assessment Service)

For further information, contact Assessment

Room: 1101

Phone: (403) 342-3219

Test Centre
 Room 2204
 Phone: (403) 342-3292
 Email: test.centre@rdc.ab.ca

For entrance to a University transfer program

1. As above
2. A minimum grade of 60% in English 30
3. An average of 60% overall on subjects required for the particular program

If you are studying at Red Deer College under student visa, you must consult the calendar of the institution to which you intend to transfer regarding their policy on admitting international students.

Readmission

You must apply for readmission if

- you are accepted and do not attend, or
- you completely withdraw from a program, or
- you leave the College for one term or more (Spring/Summer excluded)

Current admission policy will apply in most cases.

Admission to Another Program (for students currently enrolled at RDC)

Apply at the Registrar's Office.
 Applications will be accepted according to the dates published in the Academic Schedule (see page 4).

Application Processing

Response Letters to Applications

- You will be advised by mail as to which documents are needed to complete your application.

An offer of Conditional Admission is given if:

- your application form shows that you have completed or are completing the program admission requirements.
- you submit official documents (such as final transcripts) before the program begins.

Note: Acceptance may be cancelled if these documents are not received by stated deadlines.

Acceptance of Offer of Admission

- If you wish to accept our offer, you must confirm acceptance within 3 weeks.

Wait Lists

- If you qualify for admission after the program has filled, you will be placed on a wait list. You will be advised if space becomes available.
- If you are on a wait list when the program starts, you may stay on the wait list for admission to the next available term. All admission requirements and documents MUST be provided before you will be considered for the next available term.
- If the program for which you are waitlisted has been declared oversubscribed, you will be given an opportunity to indicate that you wish to be considered for the next intake.
- If admission requirements change for the program for which you are waitlisted, you must meet the new requirements by the document deadline for the term you are admitted to.

Clear Admission

- Clear admission will be offered when all final documents have been received, showing you have met all program admission requirements.

Deferring Your Acceptance for Admission

- You can defer your acceptance once if you are unable to attend because of special circumstances.
- You must inform the Registrar's Office in writing if you wish to defer acceptance.

Cancelling Your Program

If, for any reason, you cannot attend the program to which you were admitted, please notify us of your intention to cancel your admission. To do so, you can email us at webadmission.rdc.ab.ca or phone us (403)342-3400.

Test and Interview Results

- Test and interview results will be kept confidential according to College policy and the Freedom of Information and Protection of Privacy Act.
- You may ask the Registrar for results of tests given by the College for admission purposes.
- If you have been rejected on the basis of interviews, you can ask for the rationale for rejection from the program Chairperson.

Choosing Another Program

If you are not admitted into the program of your choice, you will be told the reason and offered assistance in choosing another program.

Refusal of Admission

The College reserves the right to refuse admission to any person.

Appeal of an Admission Decision

Contact the Registrar if you have concerns about an admission decision.

Assessment

To assist students in registering in courses for which they have adequate preparation, Red Deer College requires or suggests assessment in the following areas:

Placement Testing

Placement Testing is a requirement for all students wishing to enter the Career and Academic Preparation Program. General Studies students needing or wishing to take High School equivalency courses may be required to arrange for placement testing prior to registration.

Communications Course Placement

Students will be required to take a College placement test before registering in a 200-level written communications course. (Students with 60% or greater in English 30 or ELA 30-1 will be exempted from this test). Students who do not achieve a satisfactory mark in this test will be required to complete COMM 150 before they can register in the required 200-level course. Students should take the placement test early in the event preparatory work (COMM 150) is required.

Mathematics Diagnostic Test

First year university math is difficult for many students. Red Deer College offers the opportunity for students registering in the courses to complete a diagnostic test prior to the start of classes. Completion of the test will allow students to anticipate weak areas and receive assistance prior to and during classes.

Apply Online!

How Can I Finance My Education?

The Red Deer College Student Funding and Awards Office is committed to helping you understand and access the sources of financial aid available to you.

The following services are offered:

- Information on government student loans and policies
- Information on government grants
- Assistance in applying for funding
- Information on Red Deer College awards
- Information on various external sources for scholarships
- Information on money management and budgeting skills

Recognition of Prior Learning

Red Deer College recognizes prior learning of skills, knowledge or competencies that have been acquired through work, formal and informal education or training, self study or volunteer activity in the form of Recognition of Prior Learning (RPL). RPL can take various forms, and the associated outcomes can be used for a variety of purposes relevant to the individual's educational program at RDC.

Students transferring to another post-secondary institution to obtain their final academic credentials should be aware that the receiving institution is not obliged to recognize credit granted through RPL at RDC. Students are strongly advised to check with the receiving institution regarding the transfer of credit. Students who are funded by Student Finance Board should note that credit granted via RPL might affect their status as a full-time student and attendant financial support.

In order to obtain RPL, a student must provide relevant, supporting documentation (usually in the form of an official transcript) acceptable to the college of an equivalent course. Normally the Transfer Guide and the calendar descriptions of equivalent courses will be used to determine if the course may be formally recognized. Recognition may also be granted for experiences which are equivalent to an identified RDC course (i.e. practica or studio). In these cases, the student must provide documentation acceptable to the college. Students registering for programs and courses commencing in September must file completed Recognition of Prior Learning applications before the Add/Drop date in the Fall term, for credit to be applied to that term, and to be eligible to "Drop" the appropriate course. Students seeking Recognition of Prior Learning for courses beginning in January, must file Recognition of Prior Learning applications before the Add/Drop date in the Winter term, for credit to be applied to that term and to be eligible to "Drop". The same provisions are in effect for the Spring term.

To qualify for an RDC program credential, students must complete at least 25% of the credit requirements for the credential through enrollment in RDC. To receive recognition of prior learning by RDC, the individual requesting RPL must have already applied to the College and been admitted to a program.

RPL may take one of the following forms:

1. **Transfer Credit** is applicable when students wish to have formal accredited post-secondary courses transferred to their RDC credential. Official transcripts, course descriptions and course outlines from the sending institution must be provided before the learning is assessed. If granted, "**TR**" and the credit granted would appear on the official transcript, with no grade assigned. A non-refundable fee will be charged per application, with the exception of courses listed in the Alberta Transfer Guide; Block Transfers from other post-secondary institutions with existing transfer agreements and courses from within RDC.
2. **Advanced Placement** is a method of recognizing learning, obtained via formal or informal means, which enables students to waive a prerequisite and register directly into a higher level course. Students must provide appropriate documentation or demonstrations as determined by the assessor. If granted, "**AP**" will appear on the official transcript with no grade or course credit assigned. A non-refundable fee per application will be charged.

3. **Challenge** exams allow students to obtain a course grade in recognition of their learning, obtained via informal or formal means. Students applying to write a Challenge exam must provide appropriate documentation to support the learning experiences they feel qualify them to apply for the exam. You may only write a Challenge exam once, unless you have new/additional learning experiences in the subject after writing the exam. A failing grade in an RDC course is not substantive grounds for a Challenge, unless the student can supply documentation of additional learning experiences. Students may not challenge a course for which Advanced Placement or Transfer Credit has already been granted or which has been waived as a prerequisite for a higher level course. If the Challenge application is approved, a non-refundable fee per course will be charged. A Challenge process must be completed before the last day of final exams for the term in which the student is registered in the Challenge section of the course. Once the Challenge is completed, the Challenge **Letter Grade** will appear on the official transcript with the appropriate credit weight, and a comment indicating the grade was obtained via the Challenge process. After registering in a Challenge, a student may apply to "Withdraw" from this process before the last day of final exams for the term in which they are registered in the Challenge section of the course. If a student withdraws from a Challenge, a "**WD**" with a Challenge comment will appear on the transcript. The Challenge fee is non-refundable. If the Challenge process is not completed within the timelines specified, a grade of "**F**" will appear on the transcript.

4. Prior Learning Credit granted through the Prior Learning Assessment process recognizes formal and informal learning. Applications for Prior Learning Credit must be accompanied by appropriate supporting documentation as determined by the assessor. The assessment process may take many forms including: portfolio, skill demonstrations, documentation, exams, letters of attestation of skill mastery, or other assessment strategies deemed appropriate by the subject matter experts. If granted, “**PL**” and the credit granted will appear on the official transcript, no grade assigned. A non-refundable fee per course will be charged.

5. Home Schooling
Red Deer College recognizes that students learn and acquire knowledge in a variety of settings. A student who has completed a Home Education Program, authorized or approved by the Alberta Ministry of Education, may qualify for Red Deer College admission by successfully completing a Career and Academic Preparation Course Challenge Assessment, or Alberta Learning Departmental Exams. Applicants must meet the competence equivalencies for all the courses designated as prerequisite requirements for admission to a specific program.

6. Restrictions
Each department is responsible for outlining any restrictions in student access to challenge and advanced standing. The restrictions require the approval of Academic Council.

Courses Not Eligible for Challenge:
All Art courses except ART 201, 203, 301, 303, 305, 306.
BADM 207, 270
BUS 303
CSYS 222
COMM 191, 294
DRAM 205, 212, 213, 303, 304, 305, 306, 307, 308, 310, 311, 312, 313, 314, 315, 316, 317, 318
One of ELCC 210 or 220
One of ELCC 310 or 320

ENGG 200
LAW 250
Music - all MUSP, MUSS, and MUSE courses.
OADM 140, 170, 240
DACS 208, 311, 312
NURS 281, 285, 381, 385, 391, 395
SOWK 206, 208, 308, 309
EDAS 114, 181
Courses Not Eligible for Advanced Standing:
BADM 270
DACS 311, 312
SOWK 206, 208, 308, 309

7. Career and Technical Studies Modules
Career and Technical Studies modules may be considered for admission, or prior learning assessment purposes. Students need to formally apply for Recognition of Prior Learning, and provide documentation from the high school, of the specific modules completed to be eligible for prior learning assessments, or credit awards.

8. Advanced Placement (AP) Program
AP graduates may receive academic credit at RDC for their AP credential earned during high school. Only AP grades of 4 or 5 are accepted for transfer credit. An official AP transcript is required for assessment.

Transfer credit at RDC will be awarded based on current articulation agreements with Alberta Universities as cited in the Alberta Transfer Guide. For courses not governed by an articulation agreement, students may choose to pursue a Challenge process in order to obtain academic credit at RDC.

When registering please tell your Academic Advisor that you have AP courses. Caution must be exercised as Advanced Standing for AP courses may not be recognized by some receiving institutions. Policies of institutions which you plan to attend after Red Deer College should be taken into account.

9. International Baccalaureate (IB) Program
IB graduates may receive up to 30 credits (five full course equivalents) at RDC for their IB credential earned during high school. IB grades of 5 or lower will not be accepted for transfer credit at RDC.

Transfer credit at RDC will be awarded based on current articulation agreements with Alberta Universities as cited in the Alberta Transfer Guide. For courses not governed by an articulation agreement, students may choose to pursue a Challenge process in order to obtain academic credit at RDC.

When registering please tell your Academic Advisor that you have IB courses. Caution must be exercised as Advanced Standing for IB courses may not be recognized by some receiving institutions. Policies of institutions which you plan to attend after Red Deer College should be taken into account.

Assessment of IB or AP Courses
Depending on the form of assessment, a student may receive

- Transfer Credit (credit, but no grade is given for the course) or
- Advanced Placement (the requirement for completing the course as a prerequisite for higher level courses is waived, but students will be required to substitute another course to meet transfer credit requirements) or
- A challenge grade.

Following is an example of how transfer credit for IB is currently awarded based on existing articulation agreements at Red Deer College and the University of Alberta. (See chart on following page).

Example:

<u>International Baccalaureate Course</u>	<u>Red Deer College Course</u>	<u>U of A Course</u>	<u>Credits</u>
Biology HL	BIOL 218	BIOL 107	3 credits
Chemistry SL ⁵	CHEM 211	See Footnote 1	3 credits
English HL	ENGL 210	ENGL 101	6 credits
French SL	FREN 200	FREN 150	6 credits
History HL	See Footnote 2	HIST 120	6 credits
Mathematics SL ⁵	MATH 203 or 212	MATH 100 or 114	3 credits
IB Diploma	See Footnote 4	101 level Open Elective	3 credits

- 1 Students may apply to write a credit by special assessment examination in CHEM 101 or CHEM 103.
- 2 IB History of Europe HL is not equivalent to any course offered at RDC. However, students with IB History credentials who attend RDC and then transfer to U of A will qualify for transfer credit for History 120 when they register at the U of A. Students with Full IB Diplomas will receive credit for a 3-credit option course when they transfer to the U of A.
- 3 Students may apply to write a credit by special assessment examination in Math 100 or Math 114.
- 4 RDC will offer a \$1,000.00 IB Diploma Scholarship to the first year RDC student with the highest IB Diploma score.
- 5 Students who plan to major in the physical sciences will be required by RDC to take the appropriate first year courses in mathematics and chemistry or to write challenge examinations rather than to accept transfer credit for Mathematics 212 and Chemistry 211.

10. Tech Prep - Articulation Agreement existing with the Central Alberta Technology Preparation Consortium include:

Secondary Courses

Community Health Modules 1040, 1050, 1080, 2050, 2070, 3020, 3040, 3050
 Community Health 2120
 Community Health 2070 (ASL 1)
 Community Health - Health Science Modules (Advanced) and NAIT EMR Certificate
 Community Health 3010-3030, 3070, 3100
 Community Health - Health Science Modules (80% minimum mark)
 Construction Technologies Modules
 Electro-Technologies Modules
 Fabrication Studies Modules
 Fashion Studies Modules 1030-1060, 2020, 2030, 2050-2110, 3020-3060, 3090
